HAVE ELECTRONICS TO RECYCLE?

Naperville's Environmental Collection Campus at 156 Fort Hill Drive is once again serving as a collection point for electronics recycling between 7 a.m. and 3 p.m. on weekdays. A **fee** applies for CRT, flat screens, projection TVs and monitors only; a variety of items are accepted.

Materials may be brought to the center on Wednesdays and Saturdays from 8 a.m. to 4 p.m. Access to the drop-off center is from the one-way drive off of Fort Hill Drive. No box trucks or vehicles larger than a pick-up truck or van will be permitted to drop off materials.

For recycling items like oil-based and alkyd paints, pesticides, automotive fluids and other toxic household products, please use the [Household Hazardous Waste Facility](#), located at 156 Fort Hill Drive. Items are accepted on Saturdays and Sundays from 9 a.m. to 2 p.m.

Compost Available to La Grange residents

The Water Reclamation District of Greater Chicago (MWRD) is offering compost for no charge to residents, non-profit organizations, and governmental agencies within Cook County. The MWRD's compost, called EQ Compost, is produced by blending biosolids, woodchips, grass clippings, and leaves.

Residents of Cook County, municipalities, park districts, golf courses, schools, and non-profit organizations can order bulk compost directly or have their landscaping contractor pick it up at the two EQ Compost distribution centers. Free delivery is available for orders of 10 cubic yards or more.

Private businesses can pick up bulk compost at the two EQ Compost distribution centers. Delivery and bulk pick up must be scheduled at least two days in advance. EQ Compost is also available in 20 lb bags.
